

# Dear non-Japanese customers,

If you are looking for a home for rent, don't hesitate. Come to Square!

Our staff will take care of your inquiries using POKETALK (automated translation device) if you are not confident about communicating in Japanese.

We will be willing to help you with the following categories.

## House hunting

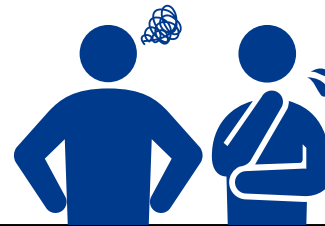

## Application with moving-in/out

## Assistance with updating contract

## Solving problems with living conditions

Please come visit or contact us via email.
